

9 Brolga St, Bairnsdale

Quality Home with Many Upgrades plus Shed with 3 Phase Power

This property has so much to offer for the family and someone who likes to tinker in a well equipped shed. The home was built by quality local builders and is set on almost 800m2 block, a rare find these days! Step inside and be impressed with the solid Australian timber floors. There is air conditioning in each of the 4 bedrooms and family room. Don't be concerned about energy costs as there is a 6.2KW solar system plus double-glazed windows, solar hot water and master bedroom & laundry windows with clear plastic insulation. The kitchen includes Smeg oven, Bosch dishwasher and walk in pantry. There is even a ducted vacuum system. As you head outside onto the covered alfresco, admire the large back yard with garden shed and side vehicle access to 10m x 6m Colorbond garage fitted with 3 phase power, lined and air conditioned so you can play or work there no matter how hot or cold it is. There is a park with playground nearby so you can enjoy walking the dog and watching the kids have fun. There is much to appreciate about this property.
